(FORM 1-A)

Form 1-A, *Fee Calculation Worksheet*, is intended to help applicants calculate fees for registration in the Statewide Portable Equipment Registration Program. This worksheet can be used for any combination of portable engines, portable equipment units, or military tactical support equipment. Replacement, Modification, Change of Ownership, and Administrative Update fees have also been included.

Operational Registrations:

Write the number of engines or equipment units to be registered as operational in the appropriate “# of Units” box. Multiply the number of units by \$90.00 and write the product in the “TOTAL” box.

Non-Operational Registration for Portable Engines or Equipment Units:

Write the total number of engines and/or equipment units to be registered as **non-operational** in the appropriate “# of Units” box. If you choose “Without Initial ARB Evaluation,” multiply the total number of units by \$30.00, and write the product in the “TOTAL” box. If you choose “With Initial ARB Evaluation,” multiply the total number of units by \$60.00, and write the product in the “TOTAL” box.

Non-Operational - Change of Status to Operational: Submit **Form 7**.

Write the total number of existing non-operational registrations you wish to change to an operational status. If the engine or equipment unit was originally registered “Without Initial ARB Evaluation,” the fee is \$60.00. If the engine or equipment unit was originally registered “With Initial ARB Evaluation,” the fee is \$30.00. Write in the total “# of Units” for each request, multiply by the appropriate fee, and write the product in the “TOTAL” box.

Miscellaneous Fees: Submit **Form 1 and Form 7** for replacements, modifications, or change of ownership requests.

Submit **Form 8** to request an administrative update, including replacement of registration stickers.

Write in the total number of identical replacement requests (\$15.00 per unit), equivalent replacement requests (\$90.00 per unit), modification requests (\$15.00 per unit), and/or change of ownership requests (\$15.00 per unit). Multiply the “# of Units” by the appropriate fee, and write the product(s) in the “TOTAL” box.

Military Tactical Support Equipment: Submit **Form 4**.

A registration certificate is issued to each military installation, and includes all the military tactical support equipment located at the base at the time of registration. The registration fee is established by the number of tactical support equipment units at the military installation: \$1,500.00 for the first 25 units, plus \$1,500.00 for each additional 50 units or portion thereof.

Total Fees:

Add the total fees for the entire Form 1-A and write the total in the box. If a Form 1 was required for your request, please write this total on Form 1 also.
